THE
GLENOLIA

A place to grow and gather.

Gentle hands. Curious minds.

1 **Look first.**

Ask your teacher before touching a plant, animal, tool or material.

2 **Leave living things where they belong.**

Observe without picking, pulling, tasting or disturbing.

3 **Give each other room.**

Share tools, take turns and keep paths clear.

4 **Care continues after the task.**

Return equipment and wash hands as your teacher directs.

Use with your school's safety procedures and each learner's agreed adjustments.

THE
GLENOLIA

A place to grow and gather.

A safe way for every learner

1 **Start with the plan.**

Stay in the agreed place and follow your teacher's instructions.

2 **Pause when conditions change.**

Tell an adult about spills, sharp objects, weather changes or anything uncertain.

3 **Choose a useful way to join in.**

Watch, draw, describe, ask, record or use support. Rest is allowed.

4 **Ask before tasting.**

Only join food activities specifically approved and supervised by your school.

Use with your school's safety procedures and each learner's agreed adjustments.
